Welcome to Sarah Priestley, the Beauty and Holistic Specialist. I'm Sarah Priestley and I qualified as a beauty and holistic therapist at Calderdale College, Halifax, over 16 years ago. I started my career in a highly reputable local salon, of which I later became manageress.

In 2000 I decided to rise to the challenge of running my first business The Beauty Specialists, located within Fitness First, Halifax.

From the start the salon was a great success and I was fortunate enough to meet lots of interesting people - many of whom have become valuable friends. However, after 4 successful years I decided to take a break to start a family and so, I sold the business and took a part time role as a senior therapist.

Aside from my day-to-day work, I've also gained valuable experience teaching for the Nailtiques company and as a part-time lecturer at Calderdale College, where I was proud to impart my industry knowledge.

I'm extremely passionate about my work and take a great deal of pride in providing a high level of service. To date, I've enjoyed a loyal client following and nothing gives me more satisfaction than knowing that their needs have been fulfilled.

Along with my staff, I'm pleased to offer my beauty services to the people of Northowram (the village I grew up in and where I now live) and surrounding areas.

So why not experience the wonderful feeling of total revitalisation, regeneration and harmony for the mind, body and spirit? Take advantage of my professional service and expertise with an added personal touch.
